Status Updates

Beach cleanup – clean-up of debris from Hurricane Debby is underway. Sand has been removed from Wayman Avenue. A barrier will be installed to prevent access to the damaged lower level of the pier.

Beach erosion – Mayor Chissell reported that the Nature Conservancy Community Resilience Building Program has offered to facilitate a workshop for Annapolis Neck Communities that share the shoreline with Highland Beach. Mayor Chissell announced that she will be seeking volunteers to help evaluate resources that have been shared, including grant programs that the town may be eligible for.

New Business

None

Public Comment

The HBCA will be hosting several Labor Day weekend events, including a movie on Friday night, dinner and dancing on Saturday night, a brunch on Sunday morning, and an Illumination ceremony on Sunday night.

The meeting was adjourned at 5:37 pm.

Respectfully submitted,

Crystal Chissell
Mayor
